#### Listing details

Description:

DO YOU NEED TO DO A FACIAL CLEANSE IN THE SUMMER?

In summer, at high temperatures, the sebaceous glands work especially actively. Sebum mixes with sweat, dust and cosmetic residues and clogs pores. As a result, the skin quickly dries and fades, and acne and pustules appear on it.

Summer is the time when the face needs maximum care, including cleansing.

Don't hesitate..

We are waiting at Bat Yam, Balfour 69
