Listing details

Description:

I offer high-quality and reliable services for installing toilets and bidets in the northern part of Israel. Your convenience and comfort is my main goal. Here's why you should contact me:

- Professional approach** : I have many years of experience in plumbing installation. Every detail of the work is carried out with care and attention, which guarantees durability and reliability.
- Fast and Clean Installation** : I understand how important a clean and tidy environment is in your home. All work is completed as quickly as possible and without unnecessary waste.
- Consultations and recommendations** : I will help you choose the appropriate toilet or bidet model that will best fit into the interior of your bathroom and meet your requirements.

4. **Work Warranty** : Each installation comes with a warranty, giving you confidence in the reliability and quality of the work performed.
5. **Affordable Prices** : I offer competitive prices for my services, making my services affordable to everyone.

Details of service performance

1. Preparing the installation site :

- Inspection and assessment of the installation site.
- Removal of old plumbing (if required).
- Preparation of surfaces and communications for installation of new equipment.

2. Toilet installation :

- Securing the toilet to the floor.
- Connecting the toilet to the water supply and sewerage system.
- Checking the tightness of all connections.
- Testing the operation of the toilet.

3. Bidet installation :

- Determining where to install the bidet.
- Installation of the bidet and its fastening.
- Connecting the bidet to the water supply.
- Checking the operation of all bidet functions.
