Listing details

Description:

Our socket and switch installation specialists offer professional services throughout northern Israel. We provide high-quality and safe execution of all electrical work, from simple replacements to complete installation of new electrical lines.

Advantages of our services:

1. **Professionalism** : Our craftsmen have many years of experience and use only professional tools and high quality materials.
2. **Safety** : We strictly adhere to all safety standards and guarantee that all work will be completed reliably and safely.
3. **Cleanliness and neatness** : We always clean up after ourselves after completion of work, leaving your premises clean and tidy.

4. **Flexibility** : We work around your schedule and can complete the work at a time that suits you.

Work process:

1. **Consultation and assessment** : Our specialists come to the site to assess the scope of work and provide advice on the selection of materials and placement of sockets and switches.
2. **Preparation** : Preparing all necessary materials and tools to complete the work.
3. **Installation** : Installation of sockets and switches taking into account all technical requirements and safety standards.
4. **Verification** : Testing of all installed elements to ensure they work correctly.
5. **Cleaning** : Cleaning the workplace and removing all remaining materials.

Choose us for high-quality and safe installation of sockets and switches in your home or office!
