Listing details

Description:

Are you looking for a professional to install chandeliers and lighting fixtures in your home or office in northern Israel? I am a jack of all trades, ready to offer you high-quality and reliable lighting connection services.

My advantages:

- **Experience and Professionalism:** Over 10 years of experience working with electrical systems and lighting installations.
- **Safety:** I pay special attention to safety when working with electricity, which ensures you and your family are protected from possible risks.
- **Accuracy and accuracy:** The work is performed carefully and without damaging the interior, in strict compliance with all technical standards and requirements.

- **Individual approach:** I will select the optimal solution for your interior and wishes, taking into account all the details and features of the room.
- **Timeliness:** Fast and efficient work without delays or missed deadlines.

Details of services:

- **Consultation and selection of equipment:** I will help you choose and purchase suitable chandeliers and lamps, taking into account your preferences and interior.
- **Preparation for installation:** I will diagnose and check the electrical networks, and, if necessary, make the necessary modifications.
- **Installation:** I will professionally install lighting fixtures, make all necessary electrical connections and check functionality.
- **Final check and cleaning:** After completing the work, I will conduct a final check to ensure that all devices are working correctly and will clean the workplace, leaving it clean.

By contacting me, you will receive high-quality and safe connection of chandeliers and lamps, which will give your home comfort and light. Contact me to arrange a date and time for the work to be completed.
