Listing details

Description:

As an experienced handyman, I offer quality wall priming and plastering services in the northern part of Israel. If your walls need leveling or preparation for painting, I will be happy to help you cope with this task.

Advantages:

- **Experience and professionalism** : More than 10 years of experience in carrying out repair work, guaranteeing high quality and durability.
- **Using quality materials** : I use only proven and high-quality materials that will ensure the durability of your renovation.
- **Accurate deadlines** : I work quickly and efficiently, meeting agreed deadlines.
- **Cleanliness and order** : I always leave the work area clean and tidy after completing work.

Execution details:

1. **Wall preparation** : Removing old coatings, cleaning the surface and eliminating defects.
2. **Primer** : Applying a primer layer to improve the adhesion of the putty to the wall surface.
3. **Putty** : Leveling walls using putty, applying several layers to achieve perfect smoothness.
4. **Sanding** : After the putty has dried, sanding is done to create a perfectly smooth surface, ready for painting or wallpapering.

Contact me and I will help make your walls perfectly smooth and ready for further finishing.
