Description:

If you require high-quality painting of building facades in the northern part of Israel, I am ready to offer my services. My experience and professional approach guarantee long-lasting results and aesthetics for your building.

Advantages of my services:

1. Experience and professionalism :

- More than 10 years of experience in painting facades of various types of buildings.
- I use only high-quality and proven materials.

2. Individual approach :

- I take into account all the wishes of the customer.
- I provide consultations on the choice of colors and materials.

3. Modern technologies :

- I use modern technologies and tools, which ensures uniform paint application and durability of the coating.

4. Quality assurance :

- I guarantee high-quality completion of work on time.
- I give a guarantee for the work performed.

Details of the service:

- **Preparatory work** : Before starting painting, thoroughly clean and prepare the surface. We remove old paint, dirt and dust.
- **Primer** : We apply a primer to improve paint adhesion and protect the facade.
- **Painting** : We use high-quality facade paints that are resistant to weather conditions and fading.
- **Final work** : Checking the quality of the work performed, cleaning the area after completion of all stages.

When you order painting of building facades from me, you get a high-quality result that will last for many years. Contact me for consultation and cost calculation.
