### Listing details

#### Description:

Our protective coating services can help you maintain the appearance and extend the life of various surfaces in your home. We operate in the northern part of Israel and offer professional application of protective coatings on wood, concrete and metal surfaces.

#### Advantages of our services:

- **High quality materials** : We use only proven and high-quality materials that provide long-term protection from environmental influences.
- **Professional approach** : Our craftsmen have extensive experience and use modern technologies to apply protective coatings.
- **Individual approach** : We take into account all the client's wishes and offer optimal solutions for each specific case.

Details of services:

**1. Surface preparation :**

- Cleaning the surface from dirt, dust and old coatings.
- Repair minor defects and cracks to ensure a smooth surface.

**2. Application of protective coating :**

- Uniform application of the first layer followed by drying.
- Add additional layers for maximum protection and durability.

**3. Completion of work :**

- Checking the quality of the applied coating.
- Cleaning the workplace and advice on caring for the treated surface.

We offer protective coatings for terraces, building facades, garden furniture and many other surfaces. With our services, your home will look like new for many years!
