Listing details

Description:

I am a professional handyman providing mosquito net installation services in the northern part of Israel. If you want to enjoy fresh air without annoying insects, my services are just for you.

Benefits of working with me:

- **High Quality Materials:** I use only the most reliable and durable materials that will protect your home for years to come.
- **Individual approach:** Each order is processed taking into account the characteristics of your home and your wishes. I select mosquito nets that are perfect for your windows and doors.
- **Fast installation:** Thanks to my experience and professional equipment, the installation of mesh is done quickly and accurately.
- **Competitive Pricing:** I offer fair and transparent pricing with no hidden costs.

Work process:

1. **Measurements:** First of all, I come to you for accurate measurements of windows and doors. This guarantees a perfect fit of the mosquito nets.
2. **Selection of materials:** After measurements, I will offer you several options for materials and mesh designs to choose from.
3. **Production of meshes:** Production of meshes according to individual sizes takes minimal time.
4. **Installation:** Installation of grids is carried out at a time convenient for you. I use only high-quality tools and fastening materials for reliable and durable installation.

Your comfort and safety are my priority. Contact me and I will provide you with a relaxing holiday in a insect-free home!
