Listing details

Description:

We offer professional refrigerant charging services for air conditioners in the northern part of Israel. We care about the quality and reliability of our services, providing them at the highest level. Our craftsmen have many years of experience in this field, which guarantees fast and safe completion of work.

Advantages of our services:

- **Professionalism:** All work is performed by qualified specialists using modern equipment.
- **Safety:** We strictly comply with all technical regulations and safety standards when charging with refrigerant.
- **Efficiency:** With proper charging, your air conditioner will operate more efficiently, keeping your home or office comfortable.
- **Affordable Prices:** We offer competitive prices with no hidden fees.

- **Warranty:** All types of work are provided with a quality guarantee.

Details of the work:

1. **Diagnostics:** Initial check of the condition of the air conditioning system to determine the need for refilling.
2. **Leak Check:** Test the system for refrigerant leaks using specialized equipment.
3. **Charging:** Accurate and accurate refrigerant charging, with pressure level control.
4. **Testing:** Checking the operation of the air conditioner after refueling to confirm the effectiveness and correctness of the work.

Contact us for high-quality and fast refrigerant charging. We guarantee your air conditioner long and uninterrupted operation!
