### Listing details

#### Description:

We offer professional cleaning and maintenance of air conditioner filters in the northern part of Israel. Our technicians are highly qualified specialists who will ensure the flawless functioning of your air conditioner, increasing its service life and operating efficiency.

#### Advantages of our services:

- **Quality service:** We use only modern tools and environmentally friendly filter cleaning products.
- **Professional approach:** Our craftsmen have many years of experience and regularly undergo training to improve their skills.

- **Fast and reliable:** We value your time and complete the work as quickly as possible, without compromising quality.
- **Affordable prices:** Our pricing policy allows each client to use our services without significant costs.

## Details of the service:

1. **Inspection of the air conditioner:** Before starting work, the technician will conduct a thorough check of the condition of the air conditioner.
2. **Removing filters:** Carefully remove the filters for subsequent cleaning.
3. **Cleaning the filters:** Using special tools and products, the filters will be cleaned of dust, dirt and bacteria.
4. **System check:** After installing clean filters, the technician will check the operation of the air conditioner and make sure it is working correctly.

Entrust the care of your air conditioner to professionals and enjoy fresh and clean air in your home!
