Listing details

Description:

Do you need to get rid of your old air conditioner? We offer professional dismantling services for old air conditioners in the northern part of Israel.

Why choose us?

1. **Experience and Qualifications** : Our team consists of experienced professionals who have the necessary skills and knowledge to dismantle air conditioners safely and efficiently.
2. **Safety** : We pay special attention to safety when working with electrical devices. All work is carried out using professional equipment and tools.
3. **Care** : We carefully remove the air conditioner, avoiding damage to walls and electrical wiring. After dismantling, we clean up the work area, leaving it clean and ready for new equipment to be installed.

4. **Speed and Convenience** : We work quickly and efficiently, minimizing inconvenience for you. Our team will arrive at a time convenient for you and complete the work as quickly as possible.

How we are working?

1. **Initial Assessment** : We will come to you to assess the scope of work and determine the necessary tools and materials.
2. **Preparation** : Before starting dismantling, we will carefully prepare the work site, turn off the power and ensure the safety of all participants in the process.
3. **Dismantling** : We carefully remove the air conditioner from its mounts, disconnect all electrical and ventilation connections.
4. **Recycling** : We offer a recycling service for old equipment, eliminating the need to find ways to remove it.

Contact us today and let the professionals remove your old air conditioners. We guarantee high quality work and your satisfaction with the result.
