Listing details

Description:

I perform professional laminate installation in the northern part of Israel. I ensure high-quality work and strict adherence to technology.

My advantages:

- **Experience and professionalism:** I have many years of experience in laying laminate flooring, which guarantees high quality work.
- **High-quality materials and tools:** I use only proven materials and modern tools to achieve the best results.
- **Attention to detail:** Every detail is important, so I carefully prepare the surface and take all the necessary measurements.
- **Meeting Deadlines:** Work quickly and efficiently, completing projects within the agreed time

frame.

Stages of work:

1. **Surface preparation:** Level the base and install the underlay to ensure longevity of the coating.
2. **Calculation and layout of laminate:** Accurate measurements and markings for uniform installation.
3. **Laminate installation:** Professional installation of panels using special tools to ensure a perfect joint.
4. **Completion of work:** Installation of baseboards and cleaning of the workplace.

Entrust the installation of laminate flooring to a professional, and your floor will delight you for many years!
