Listing details

Description:

If you require professional connection of household appliances in the northern part of Israel, our services are exactly what you need. We provide qualified connections for devices such as washing machines, refrigerators, dishwashers and many others.

Our advantages:

1. **Professionalism** : Our craftsmen have many years of experience and the necessary knowledge to perform quality work.
2. **Safety** : We guarantee the safe connection of your equipment, complying with all necessary standards and regulations.
3. **Efficiency** : We fulfill orders quickly and at a time convenient for you.
4. **Quality guarantee** : All work is carried out using modern tools and technologies, which ensures

reliability and durability of the connection.

Service execution process:

1. **Consultation and inspection** : Before starting work, the technician will inspect the installation site to determine the optimal location and necessary preparatory work.
2. **Connection** : After preparation, our specialist will connect the equipment, check all connections and make sure that the device is working correctly.
3. **Testing** : After installation, we test the equipment to make sure it works correctly.
4. **Operation consultation** : The technician will provide you with all the necessary instructions for further use and care of the equipment.

By trusting us to connect your household appliances, you get a reliable partner who cares about your comfort and safety.
