Listing details

Description:

I provide professional installation of dishwashers in the northern part of Israel. I guarantee high-quality and reliable connection of your equipment, which will ensure its long and uninterrupted operation.

Advantages of my services:

- **Experience and professionalism:** More than 10 years of experience in installing household appliances.
- **Quality guarantee:** All work is performed using high-quality materials and tools.
- **Individual approach:** I take into account the characteristics of each room and equipment for the best result.
- **Fast and efficient:** Get the job done as quickly as possible without sacrificing quality.

Details of the service:

1. **Initial consultation and assessment of the installation site:** I will inspect the premises and discuss all the details with you.
2. **Preparation for installation:** Checking and preparing all necessary communications (water supply, electricity).
3. **Installation and connection:** Careful installation of the dishwasher, connection to the water supply system and electrical network.
4. **Testing and inspection:** Checking the operation of the machine, test run to identify possible faults.
5. **Operational consultation:** Training in basic rules for using and maintaining equipment.
