### Listing details

Description:

Registration of foreign companies and what they can be used for

Find out how leorid mesim works in Israel and how from Israel you can work all over the world!!

Registration of all forms of companies (limited liability, non-profit organizations, foundations, partnerships, etc.) in almost all countries of the world.

There are nominee directors and founders (so that you do not appear as the owner or director of the company)

Related services are also available:

Obtaining prepaid European cards and opening accounts in European banks

Accounting and financial reporting

Tax optimization

Connecting to merchant accounts (for accepting card payments)

Connecting to virtual phones

Obtaining licenses

Entering international markets

Creation of international level products

Development of Internet commerce

By registering, for example, a foreign company for an online store, you can sell goods all over the world without paying taxes at all!

Another advantage of a foreign company is that the capital turnover is many times higher than for a private person.

There is also the opportunity and access to additional loans at low rates.
