### Job Description:

The Dilly has a rich history as one of London's finest hotels. Our excellent reputation is built on years of British tradition, with our Edwardian heritage reflected in everything we do. We take pride in our status as one of central London's premier hotel destinations. If you want to stay in a hotel steeped in history in the centre of London, look no further than The Dilly.

The Dilly Hotel require enthusiastic and highly motivated individuals to join our successful team. We hire motivated people and provide a safe and secure environment where staff are encouraged to gain skills and excel in their chosen career.
