Job Description:

Internship and practice for beginner accountants in Israel.

What does the internship give you?

- practical experience in the accounting profession at a specific workplace,
- obtaining real information, acquiring the necessary skills in work, getting acquainted with the intricacies of the profession,
- gaining confidence in yourself as a specialist,
- confidently work in accounting programs, navigate accounting documents and transactions without problems,
- learn how to work under tight deadlines, optimally solve problematic issues and non-standard situations,
- Those who successfully complete the internship are given a letter of recommendation for subsequent employment.
