### Listing details

Description:

Receiving European bank cards remotely

The European card is very convenient if you:

- \* Travel, especially to Europe;
- \* Buy goods in European online stores;
- \* Sell some of your products in Europe;
- \* Provide services in Europe;
- \* Have money for a rainy day in a protected country and in hard currency;
- \* Any other reason

We prepare all the documents

Pre Approval Wire

We perform the initial check required by the bank free of charge, thereby saving your money and time. You will only need to pass video verification, which takes about 3-5 minutes. Details, closer to the point. Since banks naturally do not send cards abroad, we take this issue upon ourselves.

Today, not all banks and payment systems practice such a service. Several banks and companies that can receive cards remotely.

It is also possible to obtain Hong Kong cards
