These beautiful puppies will be ready for their forever homes this Christmas! There are four girls and four boys to choose from. They are gorgeous, healthy pups raised in our home, well socialised and used to household noises. Both parents can be viewed on site and are quality dogs. The puppies' Mum is stunning, gentle natured, calm, and excellent with children. She has descended from 10 generations of registered labradors – from English and Australian bloodlines and from top well-respected kennels. Twice Ministry of Primary industries (MPI) have selected puppies from this kennel for airport security detector dogs. The puppies' father has great genes and is from a strong line of hunting dogs. He is athletic, loves the water and will retrieve all day long, is a much-loved family dog with an incredible temperament. The puppies will come with a health check booklet, continued breeder support, a puppy pack including a free pet insurance plan for six weeks, puppy food, a blanket and vouchers. The puppies will be vaccinated at 6 weeks, have been taken care of to the highest standard and will be wormed every two weeks. A deposit is required if you wish to secure your puppy. Viewings are welcome and we can send more pictures upon request. There is high interest .
