Description:

We are urgently looking for a home for a found blue-eyed red point cat!

The cat was examined by a veterinarian and is healthy and five years old.

Sterilized, vaccinated, dewormed, treated for fleas.

The cat is very friendly, calm towards other animals, affectionate, well-mannered and very clean!

Knows the litter box, eats dry food.

He is in temporary shelter - we will give him only to the best owners!!!

It is possible to provide assistance with transportation by arrangement!
